Alloys for Additive Manufacturing Conference - Sponsoring

Following successful Alloys for Additive Manufacturing Symposia 2016-2019, we will organize a **two-and-a-half-day conference** on the same topic at the Universität der Bundeswehr München in Neubiberg, Germany, from 12th to 14th of September 2022.

This world-class event covers **materials aspects of metal-based additive manufacturing** technologies and is focused on the following topics:

- Tailored alloys for AM and alloy optimization
- Composite materials for and by AM
- Advances in AM processing, including multi-material approaches and hybrid processes
- Microstructure and property control by AM processing
- Lattice structures and metamaterials

The Alloys for Additive Manufacturing Symposium aims to be a venue for the discussion of all these issues by researchers in academia and industry. **We expect between 100 and 130 attendees**, most from European countries, but also from overseas.

More details about the event are given on the website: www.aams2022.eu

In order to organize this conference successfully we turn to selected companies for sponsoring. We would be delighted to have your valuable support for this event. Details are listed overleaf and can be modified as needed. Thank you very much for considering a sponsorship for the AAMS2022 conference. In case you are interested, please contact Ms. Martina Falter (+49 89 67923031, info@aams2022.eu).

Best regards,

Prof. Eric Jäggle

Alloys for Additive Manufacturing Symposium AAMS2022 – Sponsoring Offers

The Alloys for Additive Manufacturing Symposium is organized for about 120 participants from academia and industry. It is an ideal platform to increase your company's visibility within the additive manufacturing community and to gain an insight in the latest developments in the emerging field of material science for additive manufacturing. We are pleased to offer you the following sponsoring availabilities:

GOLD 2000 €	GOLD Sponsorship includes <ul style="list-style-type: none">• Advertising as Gold-Sponsor• Logo advertisement on Webpage, in program and abstract book (digital)• Possibility of a company desk in the poster/coffee break hall (table & poster board, ca. 2.5m width)• Company brochure outlay at registration desk• Attendance (free admission) of two company representatives to the conference• Attendees contact list (only consenting attendees)• Choice of being named the sponsor of a social event (reception, dinner)• Display of sponsor logo on auditorium screen during breaks and opportunity for a roll-up banner in the auditorium (provided by sponsor max. 1m width)
SILVER 1000 €	SILVER Sponsorship includes <ul style="list-style-type: none">• Advertising as Silver-Sponsor• Logo advertisement on Webpage, in program and abstract book (digital)• Possibility of a company desk in the poster/coffee break hall (table & poster board, ca. 2.5m width)• Company brochure outlay at registration desk• Attendance (free admission) of a company representative to the conference• Attendees contact list (only consenting attendees)
BRONZE 500 €	BRONZE Sponsorship includes <ul style="list-style-type: none">• Advertising as Bronze-Sponsor• Logo advertisement on Webpage, in program and abstract book (digital)

Please note that sponsoring availabilities – in particular for gold and silver packages – are limited. All requests of sponsorship will be handled on a first-come, first-served basis.

We would be very happy, if you consider supporting this meeting. Please feel free to contact us if you are interested or if you have further questions.
