	<p>(offered in spring), and BNAD 201 (offered in fall)</p> <ul style="list-style-type: none">○ Students can take BNAD 301, 302, and 303, however, these courses are almost always at capacity and priority goes to graduating seniors. Students will have to attend on the first day of class to try to get a seat.● Some programs may require a portfolio or an audition before advanced coursework can be taken (e.g. Fine Arts, Performing Arts, Media Arts, Music, Dance, and Architecture)● Graduate exchange students wishing to take business courses are not guaranteed admission, as the MBA program is highly selective. Please look carefully at the Admissions Profile to see if you would be a competitive candidate. Graduate business students should plan to come to the University of Arizona after completing at least 1 year of graduate business studies.● Graduate exchange students are NOT allowed to focus on research at the University of Arizona. Graduate students that wish to conduct research should come to the U of A through the Office of International Faculty & Scholars and must be sponsored by a U of A faculty member.
<p>Eligibility Requirements</p>	<p>All exchange and direct enroll applicants must be nominated by an institution with a current exchange agreement with the UA. Additionally, the following requirements must be met:</p> <ul style="list-style-type: none">● Exchange and direct enroll students must meet the UA's minimum TOEFL, IELTS, or PTE Academic requirements, as identified below. Institutional TOEFL scores are not accepted. Scores must be reported directly to the UA, we no longer accept hard copy scores.● There is a minimum GPA eligibility requirement for undergraduate exchange students. Applicants must demonstrate a GPA equivalent of 2.5 or above. The Graduate College requires exchange applicants to possess a cumulative GPA equivalent of at least a 3.0, using the last 60 credits earned by the applicant (including undergraduate credits). Individual academic departments may require a higher GPA and additional exams, such as the GRE. To convert your students' cumulative GPA to a U of A GPA use our GPA Calculator.● Students must be in good academic and disciplinary standing with their home university. Students who will have received their degree by the time they come to the
