## Abstract

This abstract should not exceed **2** pages. Please submit the PDF file **here**. The pdf file should have a unique name, e.g. 'abstractISPIV2019\_[name of first author]\_[submission date (e.g.: December242018)].pdf'. Submission deadline is **January 15, 2019**.

Guideline for the abstract: Here are three examples of citations: Kähler et al. (2016), Raffel et al. (2018), and Discetti et al. (2015). Please use the provided bibliography style which is loaded in the provided document class file. Here is an example for an equation: the function value is calculated as

$$y = m \cdot x + t \quad (1)$$

An example for a subfigure is shown in Fig. 1(a).

Figure 1: Two test figures.
